MISSION & VISION

Mission

We are committed in providing the *best and most recent* medical products to further improve the medical care in the State of Qatar. We shall establish strong global partnerships that will allow exchange of experience and technology to obtain products of excellent quality with recognized efficiency.

Vision

we aim to be a *national and global leader* in drug and medical products manufacturing and distribution. We will accompany the research institutions in the development of varieties of medical products to strengthen the national industries and to be highly capable in competing in the international market.

CORE VALUES

Almaha medical team lives through these values :

Customer-centric

We focus on making our customers more than satisfied with our products.

Accountability

We are responsible of our actions and their impacts to the society.

Respect

We treat everyone with respect amidst the diversity in and out of the company.

Excellence

We aim not only the good but the best output for the company and the clients.

FACTORY

OUR FACTORY

 PROUDLY
MADE IN QATAR

Almaha Medical Factory is one of the national projects in the State of Qatar that aim to strengthen local industries. The main objective is to cover the needs for medical goods in the local market, then expand to GCC countries, and ultimately export to other countries around the world.

Production Capacity

With 3,000 sqm land in the New Industrial Area, the factory operates more than 15 production lines for different medical supplies.

Our Products

Main lines include :

- ✓ Surgical face masks
- ✓ Medical gauze
- ✓ Alcohol swabs
- ✓ Surgical gloves
- ✓ Head covers
- ✓ Shoe covers

Made in Qatar

A trusted local project supporting national industries and healthcare security—designed to serve Qatar and expand across the GCC & beyond.
